RUSH/AIMMC CO-PERINATAL CENTER

# 22ND ANNUAL PERINATAL CONFERENCE

FRIDAY, MAY 17, 2024

This professional education conference deals with current evidence-based topics for maternal and fetal health care professionals

This activity has been submitted to the Ohio Nurses Association for approval to award contact hours. The Ohio Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91)

## DESIRED LEARNING OUTCOMES

At the conclusion of this program, registered nurses, midwives, & physicians, will be able to:

1. Improve Health Care response to Cardiovascular Disease for women at risk.
2. Develop a toolkit to prevent maternal death due to Cardiovascular Disease
3. Describe the global trends in resuscitation of extremely preterm infants at 22 - 27 weeks.
4. Examine and explain the incidences of mortality and morbidities associated with each extremely low gestational age neonatal outcomes.
5. Understand epidemiology of obesity & how it impacts the gynecological System.
6. Describe how the role of Obesity plays in Obstetrical Complications
7. Improve communication with parents of newborns in the NICU

## INTENDED AUDIENCE

This program is designed for obstetric and neonatal nurses, certified nurse midwives, nurse practitioners, obstetricians, maternal-fetal medicine specialists, neonatologists, family practice physicians & social workers
