The AFHMPP workshop is designed for registered nurses who have successfully completed the AWHONN two day workshop, a comparable fetal heart monitoring workshop, and/or are certified in fetal heart monitoring. In order to facilitate successful completion of the Advanced Fetal Heart Monitoring Principles and Practices Workshop, participants are expected to review Fetal Heart Monitoring Principles and Practices, 5th Edition, 2015 prior to attending the AFHMPP workshop, which can be purchased from Kendall Hunt (800-338-8290) as either an eBook or textbook or through AWHONN.

Written confirmation will be sent upon acceptance into course. Upon successful completion of the course participants earn 9.0 contact hours of continuing education. There will be an optional exam to be done via computer after course completion.
