Course is recognized for 18.3 CE's & 15.25 CME's

Course is limited to 12 participants. Registration is on a first come first serve basis.

Registration deadline is October 10, 2017. No refunds or admissions will be allowed after that time. See attached Registration Form for information; check must accompany registration or to pay by credit card contact Pattie Cantella at (847) 723-7737.

Registration and payment must be received before confirmation.

Course prerequisites:

The Intermediate Fetal Heart Monitoring Course is designed for healthcare professionals who have completed a basic or foundations FHM course and who use fetal heart assessment and monitoring technology in the perinatal setting. Clinicians whose only experience is antepartum patient care, antepartum fetal heart assessment or limited intrapartum care may need additional didactic and/or clinical experience to gain the required knowledge.

Questions: Debbie Schy (847) 723-5991

For directions: Public Safety (847) 723-5123
