

Opinions from an Expert: Perinatal and Neonatal Liability and Documentation

Rebecca Cypher
MSN, PNNP

Encore Presentation!
Past President, AWHONN

Purpose: The conference aims to educate attendees on the legal aspects of perinatal and neonatal care, including care standards and documentation tips.

Objectives:

- Review basic concepts in obstetric and neonatal liability.
- Identify four elements of medical negligence.
- Summarize why documentation is crucial to patient safety.
- Justify use of the CLEAR concept in medical record documentation

Registration fee of \$100 includes CEs, breakfast, lunch and afternoon refreshments.

Additional \$25 if requesting CMEs
