See attached Registration Form for information. **Payment must be received before confirmation.**

Upon receipt of registration you will receive an e-mail with course information
required to purchase Advanced Course Student Pack, 5th Edition.

The AFHMPP workshop is designed for registered nurses who have successfully completed the AWHONN two day workshop, a comparable fetal heart monitoring workshop, and/or are certified in fetal heart monitoring. In order to facilitate successful completion of the Advanced Fetal Heart Monitoring Principles and Practices Workshop, participants are expected to:

- (1) **Purchase the following required Student Pack which can be purchased from Kendall Hunt at (800) 338-8290 – Advanced Course Student Pack, 5th Edition (\$100.00) and bring to class. You will receive course information with your confirmation.**
- (2) Review Fetal Heart Monitoring Principles and Practices, 5th Edition, 2015 prior to attending the AFHMPP workshop (which can be purchased from Kendall Hunt at 800-338-8290).

Upon successful completion of the course participants earn 9.0 contact hours of continuing education. There will be an optional exam to be done via computer after course completion.

Questions: Debbie Schy (847) 723-5991
